Information

About Michihamono

We are a carving-knife manufacturer with a long history. Located in Miki City, Hyogo Prefecture, which is known as the historical home of blade-making in Japan, we were company was originally a manufacturer of farming sickles. Michihamono transformed during the 1970's into a maker of carving knives and now offers a wide range of carving knives from professional to student use. Michihamono makes high-quality carving knives and other hand tools for a wide variety of crafts, from the carving of wooden statues and masks used in Noh drama, to Kamakura lacquer-ware, woodblock printing, seal-engraving, and eraser-stamps.

Tokyo Retail Shop - "Carvy"

Our dedicated carving knife showroom, located in Tokyo, is the only one of its kind in Japan. Here you can view and purchase the full range of products, and carving knife experts can provide you with just the right advice.
